

Camp Kawartha

Crestwood students dosey doe to a song performed by Camp Kawartha staff.

There's nothing quite like watching a student squeal with joy as they are hoisted into the air by their fellow Amigos! On April 17, HUI staff witnessed just that as Kenner Intermediate, Kenner C.V.I and Crestwood Secondary Amigos enjoyed a full day of activities at Camp Kawartha, just north of Lakefield.

Students relied on the support of their peers to help them navigate the high ropes course and all students put their team work skills to the test while completing a tower building challenge, rock paper scissors competition and other team-building activities.

When asked about her high ropes experience, Rebecca, a Kenner Intermediate Amigo said "I have friends and I am brave now." HUI is proud of the many participants who took a step outside of their comfort zone and of the peers who cheered them on.
