## Thanks for another great year, Amigos!

Heads Up For Inclusion staff, placement students and board members enjoyed warm weather and the enthusiasm of over 60 Amigos at the Year-End Fiesta BBQ on June 4. Amigos from Kenner Intermediate, Kenner C.V.I. and Crestwood S.S. had the opportunity to mix n' mingle as they rotated through various activity stations, including a giant parachute, water balloon toss and relay race.

East Side Mario's generously donated a BBQ lunch which was cooked by chefs from the Lighthouse Learning Centre and enjoyed by all.

An awards ceremony followed the lunch with Crestwood S.S. taking the "School Spirit Award" and Kenner CVI and Intermediate each having a pair of Amigos take home a "Friendship of the Year Award." Heads Up for Inclusion would like to thank all volunteers and teacher advisors who assisted with the event, and most importantly ALL Amigos for their commitment and dedication to friendship and inclusion.
